## DETAILED ACTION

### *Election/Restrictions*

1. This application is in condition for allowance except for the presence of claims 11-20 directed to an invention non-elected **without traverse** (see paragraph 1 in previous action dated 4/21/06). Accordingly, claims 11-20 have been cancelled.

## EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below:

The application has been amended as follows:

Claims 11-20: cancelled.

3. The following is an examiner's statement of **reasons for allowance**:

With respect to claim 1, the prior art fails to teach or suggest a FPD encapsulation apparatus comprising a chamber having an airtight space, a housing received in the airtight space, a curing device having a supporting portion to support a first substrate and forming an operating space with the housing, a vacuum device capable of decreasing the pressure of the operating space, and a pressing mechanism operated in the operating space and being connected to the housing and capable of having a second substrate attached thereto and moving the second substrate in the housing.

With respect to claim 21, the prior art fails to teach or suggest a FPD encapsulation apparatus comprising a chamber having an airtight space, a housing received in the airtight space, a curing device forming an operating space with the housing and having a supporting portion and a UV light source disposed on one another, a vacuum device configured for venting
